

CATALOGUE OF BENEFICED CLERGY OF
SUFFOLK, 1551-1631.

(WITH A FEW OF EARLIER DATE).

By R. FREEMAN BULLEN.

The following list of the Clergy of Suffolk, 1551 to 1631, is complementary to the lengthy catalogue by Mr. Claude Morley printed in this volume, pp. 29-85. It is principally founded upon two transcripts in my possession: i, Inductions, Archdeaconry of Suffolk, 1525-1630, abstracted from the original Induction Book by J. R. Hutchinson; ii, Inductions, Archdeaconry of Sudbury, 1537 to 1649. Mr. Hutchinson was formerly a member of the S.I.A. (1904-10) and his work appears to have been done with care. There is no indication of the compiler of the Sudbury list, but I am satisfied as to its authenticity. In the "East Anglian," vols. 6, 8 and 9, is printed a chronological list of "Mandates for Induction, 1526-1629," compiled by the Rev. W. C. Pearson. This list has proved valuable for comparison with Hutchinson's alphabetical list and, for the first 25 years, supplies many names omitted from Mr. Morley's catalogue. The two transcripts have been checked with all other available sources, and many names added from printed parish histories, Patent Rolls and other state records, periodical publications, such as the "East Anglian" (both series), the "East Anglian Miscellany," and the "Proceedings of the S.I.A.;" and extensive use has been made of Venn's "Alumni Cantabrigiensis."
